

# TOP HAT

## SOLVENT AND SILICONE DRESSING

PRODUCT CODE: 164

### DESCRIPTION AND PRODUCT BENEFITS:

TOP HAT is a superior silicone/solvent dressing with a blossoming cherry scent. TOP HAT is simple to apply, levels quickly and leaves a lasting wet-look shine. Use TOP HAT on tires, mouldings, bumpers, vinyl trim, and vinyl tops to display a best-dressed appearance. Long-lasting and water repellent, TOP HAT is ideal for North American weather.

### DIRECTIONS OF USE AND APPLICATION:

1. Preclean the areas of application to ensure dust, dirt, and grime is removed. 2. Apply TOP HAT with a solvent resistant trigger sprayer or a dedicated soft cloth applicator. 3. Allow TOP HAT to dry or wipe down with a soft, clean lint-free rag. *Tips: Do not dilute the product, use as is.*

### PRECAUTIONS:

Sling-off from freshly dressed tires may cause permanent staining of some plastic panels; DO NOT DRIVE THE VEHICLE UNTIL EXCESS HAS BEEN WIPED OFF, especially where the tire contacts the rim. Dressing alone will not cause staining. TOP HAT can make surfaces slippery. DO NOT APPLY TO SEATS, STEERING WHEEL, OR FOOT CONTROLS. Do not mix with other chemicals. Keep from freezing.

### HEALTH & SAFETY INFORMATION:

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

### DISCLAIMER:

As the actual conditions of use are out of our control no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves, by carrying out appropriate tests, as to the suitability of this product for any particular purpose.
